

WHAT IS YCP HACKS?

YCP Hacks 2018 is York College of Pennsylvania's student run Hackathon! We are inviting student developers, designers, and entrepreneurs from across the country to come together for 36 hours to create innovative applications and solve real-world problems. The top teams are awarded cash prizes and other prizes provided by our sponsors.

The YCP Hacks Student Team

WHEN AND WHERE?

YCP Hacks 2018 will take place in the Willman Business Center at York College from October 19 -21. Doors open at 5PM on Friday, October 19, and the event goes until about 12PM on Sunday, October 21.

WHY SPONSOR?

Sponsoring YCP Hacks is an excellent way to gain access to the industry's top and most passionate talent. Hackathons are quickly replacing career fairs and other traditional methods of recruiting and marketing. Although students are free to create their own "hacks" sponsors can influence and attract them through sponsored "hacks" and prizes, demonstrations and tech talks throughout the weekend, as well as handing out branded SWAG!

The Willman Business Center

	BRONZE \$1,000	SILVER \$3,000	GOLD \$5,000

Platinum

\$7,500

In addition to the perks offered by the **GOLD** level, this level of donation allows someone from your company to serve as judge for the final project presentations

All payments are sent to York College of Pennsylvania, a 501(c)(3) non-profit organization. YCP Hacks would not be possible without our sponsors and your money is used to help us pay for the following:

- Meals for the weekend
- Prizes for winners
- Side events
- Posters, banners, flyers, and other marketing
- SWAG for our participants
- Travel Reimbursement
- Equipment to be used at the event
- And much more!
